FUT offers an entirely new way to play Ultimate Team – and it's even deeper and more rewarding than ever. Build and collect players, then use the all-new Target Transfer System to complete your dream team. Win your tussles against your friends, show off your skills in Skill Games, take part in the new FUT Draft, and show your coaching prowess with Manager Training to get your team set up to win. And when you're not progressing in-game, your Ultimate Team cards can be used to create the ultimate club in EA SPORTS FIFA. FIFA Mobile – Download EA SPORTS FIFA Mobile this fall to experience FIFA like never before with your friends in the faster, more social, and mobile-only version of the game. Match up against friends and players around the world in the fastest, most authentic FIFA game, then play one of two exciting ways to go head-to-head: with a friend as a team or against a friend as an individual. Football Stories – Play out a selection of dramatic and emotional stories in a unique, cinematic storytelling style, with multiple branching paths that lead to unexpected outcomes. Football Stories intertwines deep, branching storylines that focus on real-world issues, such as racism or drug abuse, to create a drama-driven narrative, culminating in a final dramatic climax. Press the Attack – Send your moves to the offensive and defend your back with brand-new ways to play, including custom co-op games with friends and online cross-platform play. Cut-and-dodge through defenders using quick-stepping or incisive runs, pick off advancing players with smart feints and tricks, and find space in the final moments using new engine speed and manual angles. DEVELOPMENT TEAM Ever wondered what the men and women working at EA Canada are up to? Here's a look at the groups who make FIFA the FIFA that you know and love. Gameplay Senior Producer – Peter Eriksson is the mastermind behind the soccer simulation mechanics that shape the way that all FIFA games are played. Peter is one of five Senior Producers on the gameplay team, and he oversees everything from the large-scale features that impact the gameplay and the small-scale details that make it feel so authentic. Producer – Juan Manuel is responsible for the creation of the core gameplay systems of every title in the franchise, from Soccer 2000 to FIFA Ultimate Team

FIFA 21 marks the return of the most popular, most-played franchise of all time. Be part of the stadium pitch with Lionel Messi, Wayne Rooney, Cristiano Ronaldo, Thierry Henry, Zinedine Zidane and more in this long-awaited sequel. What is EA SPORTS™ FIFA 22? FIFA 22 delivers the most authentic and complete football experience, on the next generation of consoles, PC, and mobile devices. In addition to those features present in FIFA 19, FIFA 22 introduces the all-new Concetti Card System (CCS), Animation & VFX enhancements, the "Control Specific Dynamics" feature, FUT Draft and more. FIFA 22 CCS is all new and will turn FIFA Ultimate Team™ into a true "feeding frenzy". This feature revolutionises FUT™ by allowing players to see their clubs' players on the pitch in the same way they will play in real life. Whether an established star or a young prospect, players receive card-like objects that can be earned through gameplay and trading. There's a new balanced number of cards in each card type including Gold, Silver and Bronze, allowing every player in every division to equip any role. Cards can be traded at certain thresholds and prices to enhance gameplay and player depth. CCS allows players to learn more about their clubs and players, learn more about the competitive scene, and ultimately learn more about the game. FIFA
