The most famous fantasy world made by games is heading for an imminent battle! Rise up Tarnished against a new enemy, and enter a different fantasy world of light and darkness... The story of Erran, the sorcerer of the Forgotten Centaur Clan, is a tale of destiny and betrayal. In the grim lands between, she will finally have her revenge against the monster-worshipping Elden, but all that awaits her in the borderlands is a new enemy, far worse than anything she could have imagined. But when the gods themselves intervene, she has no choice but to play a part in a great drama - and when the dust settles, there is only one way for her to win... Master the Elden's power and take a step closer to becoming a legendary Elden Lord! BEAUTIFUL DESIGN. * The character and armor design is based on the form of "Elder" from the Forgotten Centaur Clan. * Battles and special events of "Erran's revenge" will take place against the backdrop of "The Twilight Dragon" design. * The beginning and ending of "Erran's revenge" will be in "The Twilight Dragon"'s true form. * The chara art and animation of the hero's "swan dance" animation are sharp and beautiful. * All of the pixel art was designed from scratch. [Action&RPG] * Unique Turn-Based Action with Lots of Strategic Options 1. Conventional turn-based battle system where you can use an array of tactical elements in combination with a unique skill system. 2. Choose your strategy carefully and strategize your battle with multiple options! 3. Very easy to learn, but with a vast potential for growth thanks to a variety of tactical elements and its complex battle system. [RPG] * Deep Character Creation and Customization 1. Understand your play style and guide your character to become a unique character. 2. Take the stance of the protagonist Erran, and decide on your own personality and destiny. 3. Create a character with tons of varied and dazzling potential! [RPG] * Unique Battle System that Strives for Multiple Options. 1. Introducing the novel idea of changing the battlefields. Attack the enemy with a variety of tactical elements including massive archers, cavalry soldiers, and characters with

Elden Ring For Windows [2022]

For new players: This is a fantasy RPG, in which you get to step into a world where humans, elves, orcs, goblins, and other fantastic creatures live together peacefully. You are a member of the people who have made this world a place of peace. Your task is to re-establish the balance and peace by exterminating the evil. To achieve this, you will battle against other combatants, form allies, and master new powers with the help of your pet. In this game, you have the basic four attributes of Strength, Dexterity, Magic, and Dexterity, and they can have various values. You can equip certain weapons and armor, and in addition, you can also learn new skills and abilities. When performing actions, you must decide between two possible actions, and you can increase your attributes. The higher your attributes become, the higher the impact of your actions will be. By strengthening your attributes, you will increase the number of combinations available to you as well as the variety of results and the number of attacks. TL/DR :

- A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
- An Action Game that is an Addictive Experience The key to this game is the

combat system. You can attack your enemies with a variety of powerful attacks, and after that you can use abilities that will determine the outcome of the battle. If you successfully defeat an enemy, you will earn experience points, which will allow you to strengthen your character. But your characters will also become stronger over time, and this puts you
